ENGAGE

Partnerships

A group of people, including women and children, are gathered in a room with wooden floors and walls. Some are sitting on a long wooden bench, while others are standing. A woman in the foreground is sitting at a table, looking down at a yellow sheet of paper with green rectangular pieces on it. The text "Learning exchange, setting commitments" is overlaid on the bottom left of the image. The text "GROUP 2" is visible on the yellow paper.

Learning exchange,
setting **commitments**

Bridging gaps

between communities & service providers

Building partnerships

Cultural integration

that harnesses community strength

Community engagement

that inspires action

Collaboration

that multiplies resources and opportunities
